

Licking County

Health Department

Immunization Schedule

Vaccination is one of the best ways parents can protect infants, children and teens from potentially harmful diseases.

Vaccines are among the most successful and cost-effective public health tools available for preventing disease and death.

Medicaid, Medicare and many private insurance plans are accepted. Vaccines are provided at no cost to uninsured children through the Vaccines for Children Program.

Schedule an appointment at any of our four clinic locations by calling **(740) 349-6535**.

Newark: Health Department (675 Price Rd.)

- Monday, Tuesday, and Thursday

Buckeye Lake: Mt. Caramel Church (5133 Walnut Rd.)
