# STOP: Do You Have Symptoms?

Please properly evaluate yourself for illness and COVID-19 symptoms **BEFORE** entering this establishment.

The Licking County Health Department recommends daily temperature screenings to monitor yourself for fever.

## Screening Criteria for **Fever**:

- $\leq 100.4^{\circ}\text{F}$  individual is permitted in public areas
- $\geq 100.4^{\circ}\text{F}$  individual should stay home

If you have a fever of  $100.4^{\circ}\text{F}$  or greater, you should stay home until you are fever-free for 3 days without the use of fever reducing medication.

If you don't have a fever but have a **persistent cough**, consider staying home until the cough subsides. Wear a mask if you must leave your home.

Additional symptoms of COVID-19 include, but are not limited to: fever, chills, muscle aches, headache, sore throat, loss of taste or smell, a persistent cough, shortness of breath, and/or difficulty breathing.

If you are experiencing any of these symptoms, please **stay home**.

## SYMPTOMS OF CORONAVIRUS DISEASE 2019

Patients with COVID-19 have experienced mild to severe respiratory illness.

FEVER

Symptoms\* can include

COUGH

SHORTNESS OF BREATH

\*Symptoms may appear 2-14 days after exposure.

Thoroughly wash hands with soap and water often, and wipe down high traffic areas with disinfecting cleaning supplies.
